Weddings at Cobblestones

Cobblestones Museum and Early Settlers Village is a charming spot in beautiful Greytown, just over an hour north of Wellington.

You have the chance to use our village and grounds to have a unique and special venue for your wedding or other special event. Perhaps use the historic former Wesleyan Chapel (built in 1865) located in our park-like grounds, or have an outside ceremony in the beautiful gardens.

The chapel can seat up to 60 guests, and the beautiful grounds provide a romantic setting for your photographs. Weddings may be celebrated on any day of the week except certain public holidays (Easter Friday, ANZAC Day and Christmas Day). You are welcome to make arrangements for a rehearsal and for decorations in the chapel or grounds. We can do the decorations if you wish.

The small meeting room in the grounds can also be hired should you wish to have a pre or post wedding function.

We are also able to cater for your wedding – ask us for a quote. We are very competitive. Or you can self-cater if you wish.

♥ **Our Wedding Packages:**

Our base charges are as follows (the prices may vary depending on party size and requirements):

- Chapel and grounds for 2 hours - \$450
- Grounds only (for photos etc; non-exclusive use during museum hours) - \$200 for 2 hours
- Hireage beyond 2 hours - \$100 per hour
- Meeting room - an extra \$200

Just tell us what you want and we will give you a price. Where catering is required, a deposit of \$200 will be required as security. This will be refunded to you after your wedding provided the facilities used are left in good condition.

♥ **When do I need to book?**

We recommend you make your booking as early as possible. As you can imagine such a special location is highly sought-after. Come and see us to have a look - we would love to show you around our beautiful chapel and grounds.

♥ **Need further information?**
